

# We are looking for YOU!

Have you always dreamt of an traineeship in one of the European Institutions?  
Of being part of a small team that is **experimenting, assessing** and **deploying** new information services and contents that are both appealing and useful?

**Good! We want to meet you too!**

**The Documentation Centre's mission is to support members and staff of the European Committee of the Regions to have an impact on EU policy and citizens' life**

Your tasks might include:

Alma and Primo: exploring and developing new services (Acquisitions, Analytics, Online Resources)  
Community building and communication campaigns (lunch debates, testing and searching new information contents and services)

## Your profile:

You have an inquisitive, adventurous mind and enjoy performance!

You can work both in English and French

You have a **passion** for new technologies and communication, customer care and community building!
